

## FIRST ANNOUNCEMENT

### 9th International Conference on Computers Helping People with Special Needs

*7 - 9 July 2004*  
*Université Pierre et Marie Curie*  
*Paris, France*

<http://www.icchp.org>

ICCHP conferences focus on all aspects of information, communication and assistive technology for people with disabilities and elderly people.

ICCHP offers a unique platform for researchers, practitioners and experts to present and discuss their work on all aspects of **information, communication and assistive technology for people with disabilities and elderly people.**

Specialists are invited to organise, chair and publish **Specific Thematic Sessions** within the framework of the conference.

Contributions will be published in **SPRINGER Lecture Notes in Computer Science.**

<http://www.springer.de/comp/lncs/index.html>

ICCHP wants to foster the transfer of know-how between research and practice and to increase the audience to the outstanding presentations. To avoid economic barriers the **participation fee will be as low as possible.**

Rooms and facilities for meetings of project and other consortia will be provided for free.

Companies are invited to take part in a small **exhibition** and to give more intensive introductions in **product workshops and seminars.**

***Deadline for abstracts: January 25, 2004***

***Deadline for full papers: April 25, 2004***

*“This is your conference. Come and share.  
Apply what you learn to people with disabilities when you return home.  
Be a part of it!”*
